

**ICE RINK MANAGEMENT AND LICENSE AGREEMENT
2026-2027 Winter Skating Season**

THIS ICE RINK MANAGEMENT AND LICENSE AGREEMENT ("**Agreement**") is made and entered into this _____ day of _____, 2026, by and between the CITY OF LOUISVILLE, a Colorado home rule municipality (the "**City**"), and the MAIN STREET LOUISVILLE BUSINESS IMPROVEMENT DISTRICT, a Colorado quasi-municipal corporation and political subdivision ("**BID**").

WHEREAS, the City is the owner of certain real property located at 824 Front Street, Louisville, Colorado, commonly referred to as the Steinbaugh Pavilion and parking lots; and

WHEREAS, the City conducts an annual wintertime temporary ice skating event at Steinbaugh Pavilion (the "**Event**"); and

WHEREAS, the City desires to engage the BID, acting by the BID's Ice Rink Enterprise, to manage and conduct the Event using a Contract Operator, defined in Section 3.b.viii, and is willing to grant the BID a revocable license to use and occupy the Steinbaugh Pavilion for the Event in accordance with the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the covenants and mutual promises contained herein the parties agree as follows:

1. Incorporation of Recitals. The recitals set forth above are incorporated herein and made a part of the Agreement.

2. License. The City hereby grants to the BID a revocable license to use and occupy the real property located at 824 Front Street and commonly referred to as the Steinbaugh Pavilion, together with the improvements thereon, as generally shown on Exhibit A (the "**Premises**"), for the conduct of the Event. During the term of this Agreement, the BID shall have exclusive use of the Premises for the conduct of the Event. There shall be no charge to the BID for its use of the Premises for the Event. Under the terms of a contract between the BID and the Contract Operator, the Contract Operator may also use this License for the conduct of the Event.

3. BID Responsibilities. During the term of this Agreement, the BID agrees to conduct and manage the Event, shall consist of ice rink installation, operation, and maintenance; ticket sales; skate rental and sharpening; rink rentals; and concessions and may include sale of merchandise; lessons; competitions; and entertainment. Without limiting the generality of the foregoing, the BID agrees to perform the following (collectively, the foregoing and the following are the "**Management Services**"):

a. Equipment Rental, Purchase, and Installation.

i. Rent the chiller, and portable toilets (the “**BID Rented Equipment**”), and will install such BID Rented Equipment at the Premises. In its discretion, the BID may purchase all or part of the BID Equipment.

ii. Use its Zamboni and tractor for the Event (collectively, the “**Zamboni**”).

iii. Submit to the City for approval a proposed schedule for BID Rented Equipment and City-owned Equipment, defined in Section 4.a below, (together, the “**Equipment**”) delivery, set-up, maintenance, operation, and removal of all Equipment. The BID may modify the schedule, with a minimum of two business days advance notice to the City, as needed due to delivery delays, labor unavailability or other unanticipated occurrences.

b. Event Activities.

i. Provide all operational staff and be exclusively responsible for the management of such personnel and the payment of all wages and withholdings in connection therewith. The BID shall provide site-specific training to all staff members with a focus on providing excellent customer service.

ii. Manage all merchandise and concession activities, including obtaining all necessary licenses, building permits, and other required permits and providing all concession merchandise and supplies. The City Representative, identified in Section 7.a. below, shall provide a full list of all such licenses and permits within two days of the execution of this Agreement. The cost of licenses and permits shall be borne by the City.

iii. Maintain all ice surfaces and keep the same reasonably free from snow and debris; keep all walkways within the Premises reasonably free from ice and snow; and keep all outdoor areas within the Premises free from trash and debris. The BID shall immediately notify the City in the event that the BID has actual knowledge that repairs are required to any City-owned or leased building, equipment, or area.

iv. Manage ice rink rentals by private parties and leagues for use of the ice rink outside of the hours of operation for the open public skate established pursuant to Section 3.c.ii. Private leagues may include one or more broomball teams.

v. Except as provided in Section 15, be solely responsible for payment of all applicable taxes and obtain and keep in force all applicable permits and approvals.

vi. The BID agrees to pay all performing rights licensing fees to BMI, ASCAP, or other performing rights organizations for performances held pursuant to this Agreement at the rate specified by such licensing organizations. The City holds no responsibility for these payments.

vii. If the BID has actual knowledge of potential violations of City ordinances, rules, or regulations at the Premises during the Event, the BID will inform the Louisville Police Department to request that they be followed and enforced.

viii. The BID may contract with one or more persons or entities selected by the BID to perform all or portions of the Management Services (the “**Contract Operator**”). The BID will be solely responsible for all contracting, supervisory, and administrative matters related to execution and administration of said contract or contracts. The City will not directly work with or supervise the contractor or contractors selected by the BID.

ix. It is a CONDITION to the performance of this Agreement that the BID enter into a contract to engage a Contract Operator to perform most or all of the Management Services on or before October 2, 2026. The failure of the BID to enter into such contract by such date shall not be deemed a breach of this Agreement by the BID or the City and shall release any and all obligations of the BID and the City to each other that may have arisen from this Agreement.

c. Conduct of the Event. The BID shall conduct the Event in accordance with the following standards and limitations:

i. The Event shall be operated 7 days a week from November 20, 2026 to January 18, 2027, except Christmas Day and such other dates agreed to in advance by the City Representative and the BID.

ii. The hours of operation for the public skate shall be as set forth in Exhibit B as it may be amended from time to time. No Event activities, including public skating and private leagues or events, shall begin before 8:00 a.m. and extend beyond 11:00 p.m.

iii. The fees charged for the open public skate shall not exceed \$12 for adults and \$10 for children, aged 10 and under.

iv. No carnival or amusement rides (defined to include rides with moving passenger compartments or tracks) shall be permitted.

v. Amplified sound shall not be permitted before 10:00 a.m. or after 10:00 p.m. Notwithstanding the foregoing, the City reserves the right to require the BID to further restrict times of and/or reduce the volume of amplified sound when deemed necessary.

vi. No alcohol sales, service, tastings, or consumption (whether for consideration or not) shall be permitted on the Premises.

d. Promotion. The BID may promote the Event through advertising, including hanging sponsor banners on or around the perimeter of, and within, the Premises. The BID will remove such banners at the end of the season. In addition, the City will install at the City's expense up to six "pole banners" on light poles with existing banner hardware in the downtown area to promote the Event per the City's Pole Banner Program.

e. Post-Season Restoration of Premises. At the conclusion of the 2026-27 season, the BID shall cease use of the Premises and, after the City completes its responsibilities under Section 4(a), shall return the same to as good a condition as when the BID commenced its use of the Premises except for normal wear and tear not resulting from the BID's negligence and for any damage caused by the City. The BID shall remove any public property placed on the Premises by the BID by January 31, 2027.

4. City Responsibilities. The City agrees to provide the following support to the BID for the Event:

a. City-Owned Equipment Delivery and Removal. The BID may utilize the existing ice rink equipment currently owned by the City, including the rink, boards, sandbox framing, sand, glycol, skate shack, concessions shack, ice skates, free of charge (the "**City-Owned Equipment**"). The City will not be obligated to purchase additional materials or equipment beyond what it already owns. The City will deliver the City-Owned Equipment to the Premises between October 13, 2026 and October 30, 2026 as coordinated with the BID for an efficient and cost-effective installation process and will remove and store, in weather protected storage, the City-Owned Equipment at the conclusion of the 2026-27 season.

b. Additional City-Owned Equipment. The BID shall inform the City Representative when the BID determines that repairs, replacements or additions to the City-Owned Equipment are necessary or convenient for the operation and maintenance of the ice rink, including reasonably necessary sound and lighting equipment. If such repairs, replacements, or additions are pre-approved by the City in writing, the City will promptly reimburse the BID the actual costs for the acquisition and/or repair and installation of the new or repaired City-Owned Equipment. If City written approval is not obtained in advance by the BID, the City shall not be obligated to reimburse the BID. Upon installation, any additional City-Owned Equipment ("**Additional City-Owned Equipment**") shall be subject to the terms of the Agreement as they relate to "City-Owned Equipment."

c. Zamboni Storage. The BID will remove the Zamboni from its storage on City property and deliver it to the Premises at a time to be determined by the Project Manager designated in Section 7.b in consultation with the City. After the conclusion of the need for the Zamboni on the Premises, the BID will remove the Zamboni by January 31, 2027 and return the Zamboni to its storage area or such other nearby City location as identified by the Project Manager.

d. Utilities and Trash. The City will provide electrical service for the Premises at its own expense and will continue to service all City-owned trash receptacles currently on the Premises in accordance with the City's regular trash service schedule for the Premises. If, in order to keep the Premises clean, additional trash removal than that provided by the City is required, the BID shall be responsible for such trash removal. All refuse related to the installation and tear down of the ice rink will be disposed of and paid for by the BID and not placed in City-owned trash receptacles.

e. Noninterference with the Event. The City shall not conduct any activity on the Premises that substantially interferes with, or disrupts the Event, except in a bona fide emergency or with the advance consent of the BID.

5. BID Compensation.

a. Upon proof of execution of a contract with the Contract Operator, the City shall pay the BID a fee of **One Hundred Thousand Dollars (\$100,000.00)** which shall be used by the BID for its performance of the Management Services and for its expenses related to the performance of this Agreement. The BID shall pay \$90,000 of the fee directly to the Contract Operator and retain \$10,000 for its Management Services and expenses. Except for the cost of Additional City-Owned Equipment and costs pre-approved by the City pursuant to Section 4.b, the foregoing amounts of compensation shall be inclusive of all City costs of whatsoever nature associated with the BID, including but not limited to salaries, benefits, overhead, administration, profits, expenses, and outside contractor fees. No City employee has the authority to bind the City with regard to any payment for any Management Services which exceeds the amount payable under the terms of this Agreement.

6. Event Revenues.

a. Revenues. The BID shall retain all amounts derived from the Event from skate admission fees, skate rentals, concession sales, tips, fees charged to private leagues and for private events, lessons, competitions, sponsorships, grants, donations, and other revenues. Upon conclusion of the season, the BID shall provide a final report to the City that provides monthly attendance, revenues, and skate rentals.

b. Sponsorships. The BID may secure sponsorships to pay for Event expenses and may retain all revenues secured from said sponsorships.

7. Project Representation.

a. The City designates Vanessa Zarate, Economic Vitality Manager, as the responsible City staff (the “**City Representative**”) to provide direction to the BID during the Event. All project communications shall go through the City Representative. The City Representative shall provide prompt direction upon request. The BID shall comply with the reasonable directions given by the City Representative and such person’s designees.

b. The BID designates Lawrence Anderson as its project manager under this Agreement (the “**Project Manager**”).

c. The City Manager may change the City Representative and the BID President may change the Project Manager at any time, and will provide five business days notice prior to any change.

8. Term; Renewal. The term of this Agreement shall be from the date the City executes this Agreement (the “**Effective Date**”) to the removal and storage of the Equipment and clean up of the Premises, unless sooner terminated pursuant to Section 18. The BID’s Management Services under this Agreement shall commence on the Effective Date, and the BID shall proceed with diligence and promptness so that the Management Services are provided in a timely fashion for the skating season to begin on November 20, 2026. The City and BID may renew this Agreement for additional terms upon written mutual agreement.

9. Acknowledgment of General Condition. The BID acknowledges that its use and occupancy of the Premises hereunder is in its present, as-is condition with all faults, whether patent or latent, and without warranties or covenants, express or implied. The City represents that there are no known defects on the Premises that would prevent or interfere with the BID’s performance of this Agreement and if such defects exist, the City shall promptly cure such defects at its expense, except that the BID shall be responsible for any repairs attributable to the negligence or other fault of the BID.

10. Liens.

a. The BID shall be solely responsible for and shall promptly pay for all services, labor or materials furnished to the Premises acquired by contract entered into by the BID. The City may at the BID’s expense discharge any liens or claims arising from the same.

b. The City shall be solely responsible for and shall promptly pay for all services, labor or materials furnished to the Premises acquired by contract entered into by the City. The BID may at the City’s expense discharge any liens or claims arising from the same.

11. BID’s Property.

a. The City shall have no responsibility, liability, or obligation with respect to the safety or security of any personal property of the BID placed or located on, at, or in the Premises, or stored by the City at a location other than the Premises, it being acknowledged and understood by the BID that the safety and security of any such property is the sole responsibility and risk of the BID.

12. Insurance.

a. The BID agrees to procure and maintain, at its expense, the policies of insurance set forth in Subsections 12.a.i through a.iii. Further, the BID shall require the Contract Operator and any Other Contractor conducting activities on the Premises pursuant to this Agreement to have and maintain at their own expense, the policies of insurance set forth in Subsections 12.a.i through a.iii. The coverages required below shall be procured and maintained with forms and insurers acceptable to the City. All applicable coverages shall be continuously maintained from the Effective Date hereunder. The required coverages are:

- i. Workers' Compensation insurance if required by the Labor Code of the State of Colorado and Employers Liability Insurance. Evidence of qualified self-insured status may be substituted.
- ii. General Liability insurance with minimum combined single limits of \$1,000,000 each occurrence and \$2,000,000 aggregate. The additional insured endorsement shall be at least as broad as ISO form CG2010 for General Liability coverage.
- iii. Comprehensive Automobile Liability insurance with minimum combined single limits for bodily injury and property damage of not less than \$400,000 per person in any one occurrence and \$1,000,000 for two or more persons in any one occurrence, and auto property damage insurance of at least \$50,000 per occurrence, with respect to each of BID's owned, hired or non-owned vehicles assigned to or used in performance of the Management Services. If the BID has no owned automobiles, the requirements of this paragraph shall be met by each officer or employee of the BID providing services to the City under this Agreement.

b. The BID's and each of its contractor's general liability insurance and automobile liability insurance shall be endorsed to include the City, and its elected and appointed officers and employees, as additional insureds, unless the City in its sole discretion waives such requirement. Every policy required above shall be primary insurance, and any insurance carried by the City, its officers, or its employees, shall be excess and not contributory insurance to that provided by the BID or its contractors. Such policies shall contain a severability of interests provision. The BID and its contractors shall be solely responsible for any deductible losses under each of the policies required above. Neither the BID nor its contractors shall be relieved of any liability, claims, demands, or other obligations assumed pursuant to this Agreement by reason of its failure to procure

or maintain insurance, or by reason of its failure to procure or maintain insurance in sufficient amounts, durations, or types.

c. Certificates of insurance shall be provided by the BID and its contractors as evidence that policies providing the required coverages, conditions, and minimum limits are in full force and effect, and shall be subject to review and approval by the City Representative. No required coverage shall be cancelled, terminated or materially changed until at least 30 days prior written notice has been given to the City. The City reserves the right to request and receive a certified copy of any policy and any endorsement thereto.

d. Failure on the part of the BID or its contractors to procure or maintain policies providing the required coverages, conditions, and minimum limits shall constitute a material breach of contract upon which the City may immediately terminate this Agreement, or at its discretion may procure or renew any such policy or any extended reporting period thereto and may pay any and all reasonable premiums in connection therewith, and all monies so paid by the City shall be repaid by the BID to the City upon demand, or the City may offset the cost of the premiums against any monies due to the BID from the City.

13. Indemnity and Release.

a. The BID shall be solely responsible for any damages suffered by the City or others as a result of the BID's use and occupancy of the Premises. To the extent permitted by law, the BID agrees to indemnify and hold the City, its elected and appointed officers, agents, volunteers and employees harmless from and against all liability, claims, damages, losses, and expenses, including but not limited to attorneys' fees, arising out of, resulting from, or in any way connected with (a) the BID's use and occupancy of the Premises; (b) the conduct of the Event; (c) any liens or other claims made, asserted or recorded against the Premises as a result of the BID's use or occupancy thereof; or (d) the rights and obligations of the BID under this Agreement.

b. To the extent permitted by law, the City agrees to indemnify and hold the BID, its elected and appointed officers, agents, volunteers and employees harmless from and against all liability, claims, damages, losses, and expenses, including but not limited to attorneys' fees, arising out of, resulting from, or in any way connected with (a) the City's, including the Department's, use and occupancy of the Premises; (b) the conduct of a program; (c) any liens or other claims made, asserted or recorded against the BID Equipment as a result of the City's use or occupancy thereof; or (d) the rights and obligations of the City under this Agreement.

14. No Waiver of Immunity or Impairment of Other Obligations. The City and the BID are relying on and do not waive or intend to waive by any provision of this Agreement the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, C.R.S. §24-10-101 et seq., as

from time to time amended, or otherwise available to the City, the BID, and their respective officers and employees.

15. Taxes. The Premises is presently exempt from any real property taxation. In the event the County Assessor determines that the Premises is subject to the lien of general property taxes due to the BID's use or occupancy, the City shall be responsible for the payment of taxes.

16. Right of Entry. Notwithstanding any other provisions of this Agreement to the contrary, provided the City's rights under this Section 16 do not materially interfere with the Event, the City shall at all times have the right to enter the Premises to inspect, improve, maintain, alter or utilize the Premises in any manner authorized to the City. In the exercise of its rights pursuant to this Agreement, the BID shall avoid any damage or interference with any City installations, structures, utilities, or improvements on, under, or adjacent to the Premises.

17. Hazardous Materials. The BID shall not keep, or allow its contractors or subcontractors to keep, any hazardous materials in or about the Premises without prior written consent of the City, which will be granted or denied in the City's sole discretion. "Hazardous material" includes but is not limited to asbestos, other asbestotic material (which is currently or may be designated in the future as a hazardous material), any petroleum base products, pesticides, paints and solvents, polychlorinated biphenyl, lead, cyanide, DDT, acids, ammonium compounds, and other chemical products (excluding commercially used cleaning materials in ordinary quantities) and any substance or material defined or designated as a hazardous or toxic substance, or other similar term, by any federal, state, or local law.

18. Termination.

a. At the City's option, it shall be deemed a breach of this Agreement if the BID defaults in the performance of any term or condition of this Agreement. In the event the City elects to declare a breach of this Agreement, the City shall give the BID ten (10) days written notice requiring compliance with the terms and conditions of this Agreement, or delivery of possession and cessation of further use of the Premises. In the event any default remains uncorrected after ten (10) days written notice, the City, at City's option, may declare the Agreement terminated and revoke permission for any further BID use of the Premises for the Event without prejudice to any other remedies to which the City may be entitled. Additionally, the City may, but shall not be obligated to, correct or remedy the BID's default at the BID's expense. Any such action by City to correct or remedy a default by City shall not be deemed a waiver or release of default or a discharge of any liability of the BID for the expense of correcting or remedying such default.

b. The City shall have the right at its option to terminate this Agreement for its convenience and without any cause of any nature by giving written notice to the other party at least forty-five (45) days in advance of the termination date.

c. Upon termination of the Agreement for any reason, the City may, but is not obligated to, manage and conduct the Event with its own employees or contractors.
